

Love Yorba Linda

Sponsorship opportunities for event on April 30, 2022

Are you wanting your business or organization to be known for caring about our community?

WHO ARE WE?

We are thousands of volunteers from churches, schools, city government, local businesses, organizations, and other community groups who believe that we can do more for our cities by working together than apart, with the single goal of making a difference in our city — working alongside the non-profit organization OC United to love Yorba Linda, Anaheim, Brea, Buena Park, Fullerton, La Habra, Orange, Tustin, and Placentia.

WHAT DO WE DO?

We launch a simultaneous, one-day service party! We beautify our schools, install drought resistant landscape, spruce up neighborhoods, care for others in need, and many more volunteer service projects! 2022 is the third year for Love Yorba Linda, and it will keep getting bigger every year!
